ADOLF HITLER

ORDER OF EVENTS

Using clues from the movie, place the following events into chronological order.

- Hitler joins the German Workers Party, a predecessor of the Nazi Party.
- Hitler writes *Mein Kampf* (My Struggle), a book about his philosophy.
- Hitler and his wife kill themselves.
- During World War I, Hitler fights for Germany.
- All political power is given to Hitler, and peoples' civil rights are suspended.
- Hitler becomes the fuhrer, or leader, of the Nazi Party.
- Adolf Hitler is born in Austria in 1889.
- Germany invades Poland, beginning World War II.
- The Treaty of Versailles is signed.
- The Great Depression hits Germany.
- Hitler works as an artist, selling paintings and postcards
- Germany surrenders to the Allied Powers.
- Hitler goes to jail for leading an uprising against the German government.
- Hitler is appointed chancellor, or head of the German government.
- Hitler begins to persecute those he considers enemies, especially the Jews.

THINK ABOUT IT

Explain why it's a bad idea to have only one person in charge of a government.
